

## **ABLOY® DC330 DOOR CLOSER WITH SLIDING ARM**

**ABLOY® DC330** is a high quality cam door closer which offers light opening even for heavy doors.

# NEW CAM DOOR CLOSER **ABLOY®** DC330

**ABLOY®** DC330 has been developed to meet the exacting performance requirements of the EN1154 standard. It is an aesthetically modern and elegant door closer suitable for both internal and external doors. Thanks to CAM it is light to open but still strong enough to close the door in every situation. **ABLOY®** DC330 can be adjusted to meet the requirements of the light opening resistance, for example the DDA (Disability Discrimination Act) in UK. It's unique features offer solutions for many different door applications.

## Colours available

White

Silver

Brass

Brown

Black

Angle mounting plate 7103

# ABLOY® – the sign for security

The quality and environmental systems used by Abloy Oy guarantee that customers can be certain of **ABLOY®** quality in every field. We received our first Quality System Certificate - SFS-EN ISO 9001 - in 1989. Just eight years later, Abloy Oy was one of the first companies in Finland to be granted an SFS-EN-ISO 14001 Environmental System Certificate.

Our products are designed and manufactured not only to provide high levels of security, but also to be reliable, user-friendly and aesthetically pleasing. **ABLOY®** is your sign for security.

**ABLOY®** is a registered trademark of Abloy Oy, one of the leading manufacturers of locks, locking systems and architectural hardware and the world's leading developer of products in the field of electromechanical lock technology.

The unique **ABLOY®** detainer disc cylinder mechanism has several advantages over conventional locking mechanisms. Ever since its invention in 1907, it has been a symbol of high security and superior performance.

Our range consists of electromechanical locks, cam locks, padlocks, office furniture locks, rim locks, lock cases, cylinders for different types of mortice locks, door closers, door automatics and architectural hardware. **ABLOY®** locking solutions for every application are available from our world-wide network of distributors.

Customer-oriented development, combined with our long experience and extensive security expertise, mean that **ABLOY®** security solutions employ the very latest technology to meet your needs.
